**Citizens Input:**

10 Present

Crystal Bennett came before the board concerned about parking in driveways. Board did tell her that was legal at this time, with the City. But the HOA may have a different opinion.

Naomi Clark came before the board to discuss parking along a street. She stated that the American Trucking Association states that there are 11 trucks for every 1 parking space. Parking is a problem for these truckers. Ms. Clark feels there are many trucking families in and around the City of Rogersville and wants to know what the city will do to help accommodate them? She also reminds everyone that all supplies that you buy come into us by a truck.

Dewayne Little came to thank the Board for the work done on the ordinance. He feels there is a truck parked that is impeding the entrance of the church and preschool driveway at Marshall Street.

**Motion to close the meeting:** By Alderman Stucki, seconded by Alderman Lee, and passed by vote:

Alderman Stucki-	Aye
Alderman Roderick-	Aye
Alderman Pyle-	absent
Alderman Lee-	Aye
