Section 1. Section 205.020, LICENSE REQUIRED:

No animal owner shall keep any animal over the age of three (3) months within the City of Rogersville unless a license has first been secured. Licenses shall be issued by the City Clerk for a fee of three dollars (\$3.00) per animal per year of active rabies vaccination.

The applicant for an animal license shall first present a certificate from a qualified veterinarian that the animal has been vaccinated against rabies and the date of expiration of the rabies vaccination. In lieu of a certificate from a qualified veterinarian, the applicant may present an affidavit signed by the animal's owner stating the animal has been vaccinated for rabies along with proof of purchase dated within the last thirty days of the purchase of the rabies vaccine. Applicants presenting an affidavit instead of a qualified veterinarian's certificate may only receive a one year license. The City Clerk may issue a license for one, two or three years, and the proof of rabies vaccination must cover the full time period of the license. **Licenses shall expire on the date the rabies certificate expires.**
