Community Input:

9 Citizens present

Neela Craft, Conway Mo

Ms. Craft spoke to the board about Marshall Street and Center Street as a dangerous intersection. There is a sign that reads "cross traffic is nonstop" and Ms. Craft admitted to seeing that sign. Ms. Craft had statistics on accidents at that location. It is a MoDot right-of-way. The city has talked with MoDot about this issue and Rogersville did reduce the speed in that area. A roundabout is what the city would like to see happen, but MoDot has not agreed to that.

Rich Stirts, LR Fire Department

Chief Stirts is on an OTO subcommittee with MoDot and will be talking about this intersection.

Guest Speaker:

Croley Insurance

Trevor Croley

Croley Insurance has shopped our insurance benefits this year. The outcome was considerably higher than last year at a 47% increase. The other main options were 37% higher than the current plan and coverage is not the same and there may be an interruption in medication. The group health factors are all high. Board discussed some of the differences in plans with Mr. Croley.

Motion to keep current MEWA plan this year: By Alderman Pyle, seconded by Alderman Stucki and passed by role call vote:

Alderman Stucki-	Aye
Alderman Pyle-	Aye
Alderman Clarkson-	Aye
Alderman Lee-	Aye

Planning and Zoning:

Tim Clarkson, Board Representative
The last meeting was cancelled.

Administrative Report

1. Tap Grant is working on the cultural survey.
2. Mooney Street will start on the 17th of this month. Natural gas will move after Media Com.
3. Looking at sidewalk options for that area. There is no room on the North side of the new road for that to happen.
4. Basin Street also needs sidewalk repair; we may want to look at using the Mooney Street contractor to do both.
5. Police received two grants for \$10,000.00 each for new body cameras and different guns. They were issued by Seymour and Citizens Bank.
6. RFP's will be presented at the next meeting for SKATA, park shirts, and playground dome replacement.
7. Smith Flat tank for the lift station was leaking and rejected but has been fixed.
8. The mayor asked the board to set a goal to make plans for the next water tower at the highway 125 area.
